4. If faced with a similar family situation, would you choose to go along with your family or would you try to go to school in order to have a “normal” career and life? Explain your decision.

6. Why do you think Uncle Eddy refused to take part in the plot to break into the Henley?
7. Why did Kat turn her dad in to Interpol?
8. Taccone is described as a “different kind of bad.” Why is this?
9. Why didn’t Nick tell his mother the truth after he was caught in the museum?
10. The author’s note reveals that “while the specific works of art mentioned here are fictional, many of the sad facts of the story are true.” Research the Second World War and find out more about family treasures that were lost to the Nazis. What did you discover?
