

ATPE BOOK of the month CLUB

Waiting for Normal by Leslie Connor

(Grades 6–8)

(summary taken from book jacket)

Addie is waiting for normal. But Addie’s mom has an all-or-nothing approach to life: a food fiesta or an empty pantry, jubilation or gloom, her way or no way.

All or nothing never adds up to normal. All or nothing can’t bring you *all to home*, which is exactly where Addie longs to be, with her half sisters, every day.

In spite of life’s twists and turns, Addie remains optimistic. Someday, maybe, she’ll find normal.
